Dear Friends and Fellow Republicans

Ben Cline on the Huckabee Show

Earlier in July, Ben Cline was on the Mike Huckabee show. Ben has been instrumental in bringing out the corruption that now permeates the FBI. Ben had some fascinating statements - among those how Mr. Durham didn't properly investigate former FBI Director Comey. Another was the fact that Durham is a "company man, and his company is the FBI". Ben also said that Durham didn't "go above and beyond to actually restore that integrity that is so important by prosecuting those within the organization (FBI) who needed to be pursued".

Movie Critics Avoiding Sound of Freedom

By any stretch of the imagination, Sound of Freedom has been a box office smash. However large news outlets like the NY Times and LA Times have avoided reviewing the movie. The NY Times won't even mention Sound of Freedom anywhere on it's newspaper. They're trying to cancel one of the most important movies made in the past 20 years.

Sound of Freedom was the highest grossing movie on July 4 and most every day after.

Disney originally had the rights to Sound of Freedom but tried to kill the project.

Of the few who have reviewed SoF - *Variety's* Owen Gleiberman called it a **“compelling movie that shines an authentic light on one of the crucial criminal horrors of our time, one that Hollywood has mostly shied away from.”**

A Tribute to Dan Bogdewic of Page County

A little over a month ago, Page County GOP Chair Dan Bogdewic stepped down because of health reasons. Dan did an amazing job as Unit Chair - building the Page County GOP into a shining light that each Unit in Virginia should take note of. Due in large part to Dan's hard work and focus on getting out the vote, Page County went from being a 70-30 GOP county to a 77-23 GOP county. (Dan is seen in the 2nd pic taking the gavel from his predecessor Bryan Cave - Dan is on the right)

Take these numbers:

In 2017's gubernatorial election, Ed Gillespie got 4850 votes. Aka 71.9% of the vote.

In 2021's gubernatorial election, Glenn Youngkin got 7594 votes, or 79% of the vote.

When people ask how we take back Virginia - I've always told them to look at the hard work done by the Page County GOP. Led by their Chair Dan Bogdewic.

The job of a Unit Chair is one of the most difficult jobs in a locale. There is a lot of hard work involved, not much glory, and mostly what a Unit Chair gets is a large amount of grief. A good Unit Chair leads by example and persuasion. Something Dan always did.

The new Page GOP Chair, Michael Overton, is a heck of a great guy who will

work together in an amazing way. And with the Page County GOP as well. Michael, we're expecting great things from you and Page in the years to come, and know that Page will lead the way when it comes to taking back Virginia.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
