Dear Friends and Fellow Republicans

CPAC Recognizes Ben Cline As Most Conservative Congressman In Washington!!!!

Late last week, it was brought to the attention of all that our own Ben Cline, according to CPAC, was listed as the most Conservative Legislator of the Year in 2023. This is a very prestigious honor and one we should all recognize. Ben has done an amazing job in Washington DC. Ever since his election in 2018, Ben has been a zealous advocate for small business owners and veterans, as well as being an avid supporter and believer in Valley Values of Life, Liberty, and Limited Government. Ben got a 100% score, along with 14 other Members of the House of Representatives.

Ben has gotten passed into law acts which help small business owners, and late last year HR 357, the Ensuring Accountability in Agency Rulemaking Act – which would effectively ban bureaucrats from interpreting laws differently than how they were intended to be implemented by Congress – aka the beginning of the end of the Deep State. Currently HR 357 is languishing in the Schumer controlled Senate. Which is why it is so important that we take back the Senate and hold the House in November - as well as have Donald Trump as our 47th President.

Ben is active in the community and is often seen around the District, visiting businesses from Winchester to Salem, participating in Town Hall meetings up and down the District, meeting with constituents, and being an advocate for us who live in CD 6.

Ben is a tireless worker for our behalf, and he is more than deserving of this honor. Ben we are thankful that it is you representing us in Washington DC. Some things that each of us can do to help out Ben, and they won't take a lot of time, are as follows:

1. Subscribe to Ben's YouTube Page
2. Subscribe to Ben's Newsletter. You can do this at [Cline.house.gov](https://cline.house.gov)
3. Thank Ben on his Facebook Page/s and if possible, remind the leftist trolls of how hard Ben works on our behalf.
4. Write a Letter to the Editor of your local newspaper talking about Ben's accomplishments
