Sixth District Perspectives *with Congressman Ben Cline*

The holiday season is a time of celebration, and the new year is a time of reflection. Driving back home from Washington to Virginia's Sixth District to spend the holidays with my wife and children, I reflected on the past year and appreciated the opportunities I have had to meet so many wonderful folks throughout our region. From residents, to students, to business owners, and to everyone in between, I've made it a priority to connect with as many people as I can. In fact, in the past year, I have attended or hosted more than 200 community events throughout the Sixth District. As we enter 2022, my pledge to my constituents is to remain as accessible to those I represent as possible. Take a look below to see a sampling of my many travels from across our region and my work in Washington.
