Dear Friends and Fellow Republicans

It's 1968 All Over Again

Democrats lost the 1968 election not because of Vietnam per se – but because it was obvious to anyone who could see that radical leftists, the same radicals we talk about today, had taken over the Democrat party. They lost the election at their convention – when a bunch of anti American hippies started protesting, and burned Chicago to the ground.

We are seeing something similar today, with the pro Palestinian riots occurring on University campuses. From Columbia to UCLA, college universities have lost control of their students and the videos are making national news. Even left wing corporate media can't overlook what is happening.

And while Mr. Biden is trying to say he's pro Israel, the fact is that Mr. Biden is doing a lot to harm Israel and their ability to wipe Hamas off the face of the earth. And the more that Biden tries to say he's pro Israel, the more these butt hurt snowflakes will whine and rant.

The more that these educated fools act out, and the more that they burn, the more voters will be turned off. The same thing happened in 1968 – where anti-American student protestors of the Vietnam War went nuts and burned down Chicago. Could history be repeating itself? One can only hope. No one is trying to call these protests "mostly peaceful" anymore. The lunatics are out and trying to run the asylum.

(NOTE – several of you have complained to me about Israel's bombing of Gaza. I get your concern, and the fact is that I respect your right to any opinion you choose. I would just remind you that Hamas sowed the wind, and now Gaza is reaping the whirlwind.

Update From Shenandoah County School Board

rename Stonewall Jackson HS and Turner Ashby Middle School. Stonewall HS was renamed Mountain View HS, and Turner Ashby became North Fork. At the time, the vote to rename was 5-1. The lone dissenter wasn't against renaming, but voted that way for some odd reason. Since that time, each of those Board Members have been replaced by good solid conservative Republicans and now on May 9, they will vote - and will likely rename these schools back to Stonewall Jackson HS and Turner Ashby Middle School.

I like to attend School Board Meetings, and to encourage our Board Members that I am with them in their fight against the radical left, and I encourage each of you to do the same. However I cannot attend that meeting on May 9 thanks to an event in another part of the District (Winchester fundraiser/GOTV for our local Council and Mayoral candidates).

So here is an open letter to our School Board Members, and I hope that those of you in Shenandoah County can attend on May 9, and that each of you can attend a School Board Meeting and thank our Board Members for all they are doing to fight radical leftists taking over our schools.

Having helped recruit 5 of the current 6 Board Members to run and then having helped all 6 get past the finish line, this is a great moment of pride for me!
