Dear Friends and Fellow Republicans

While most of Christendom was honoring the sacrifice Christ made on Good Friday, and then honoring Jesus resurrection and conquering of death on Easter, Joe Biden was honoring transgenders, by declaring March 31 aka Easter a Transgender Day of Visibility. Saying that "I am proud my administration has stood for justice from the start, working to ensure that the LBGTQI+ community can live openly, in safety with dignity and respect". Biden went on to say "You are America, and my entire Administration and I have your back".

Biden then says and I quote "NOW THEREFORE, I, JOSEPH R. BIDEN JR. President of the United States of American, by virtue of the authority vested in me, do hereby proclaim March 31 2024, as Transgender Day of Visibility".

The concept of transgenders have been around since the 1940's. I am not aware of too many people running around beating up transgender people. I am aware of 2 incidents that occurred in Strasburg a few years back where a house was vandalized.

But to knowingly declare one of the 2 most important holidays in the Christian world Transgender Day (or any other day for that matter) is beyond insulting to Christians or people of any faith. This is our day to thank our Lord and Savior for all of His sacrifices. To call it anything else is spitting in our face.

And to make matters worse – after doubling down on this stupidity, the Biden regime then decided that it never did label Easter Sunday as Transgender Day of Visibility. Heck the whole world knows we have transgenders. Again we've had them since the 1940' when the 1<sup>st</sup> (as we called it back in those days) sex change operation (I refuse to use the term gender reassignment surgery – especially as it pertains to children because we all know what this procedure is among children).

And just because they care, the Biden regime then decided - during their annual Easter Egg Roll on the White House grounds, to ban any Easter Egg with "overly religious messages". One can only assume what that meant.

For those of you wondering why I waited until now to speak out on this subject, the fact is that I refused to dishonor Christ's sacrifice for me personally by discussing this. And that is why I waited until now.

This man and these people (Biden and those who control him) are truly incompetent, sick, demented, and need to be taken out of power and the sooner the better.

As per usual, don't believe me, read it here:

This will be the 1<sup>st</sup> of 3 newsletters this week. There are many things that those who read the Valley Patriot need to be made aware of, and you will get the next installment tomorrow. Each of these is stand alone newsletter worthy.

I hope that each of you enjoyed your Easter Sunday and this Holy Weekend. And whether you went to church, or did an Easter Egg Hunt, or both, or did something else near and dear to your heart. As a Christian, I pray for these people in charge in Washington. As the Chair of the Congressional District GOP, and as your servant and also your representative, I am beyond disgusted with these miscreants and know they need to be legally removed from office and sent to the trash bin of history.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
