Dear Friends and Fellow Republicans

Thank you Mark Obenshain – For Taking On Fentanyl Dealers

Last week, Governor Glenn Youngkin signed into law a bill from Senator Mark Obenshain (SD 2 – Harrisonburg/Page/Rockingham/Augusta) that would raise the penalty for distributing misbranded drugs from a Class 2 misdemeanor to a Class 6 felony. The legislation, also known as SB 469, makes it illegal to possess a pill pressing or encapsulating machine. Faythe Silveria, the head of Fentanyl Moms, said of the legislation: “Fentanyl is being mixed into all types of street drugs but particularly being pressed into fake pills. With Percocet, Xanax, and Adderall with Percocet being the most common. This bill (SB 469) will hopefully slow down the pills that are being made in the Commonwealth of Virginia”.

Yes more must be done, but this is great work by a great Senator.

Too many of us (myself included) have lost someone to a fentanyl or other type of drug overdose in recent years. So thank you Mark Obenshain for trying to bring some semblance of punishment to these miscreants who have been dealing death to our loved ones.

Taylor Swift Says She Can Blow Up The Environment - Because She Cares

According to leftist Taylor Swift, it's ok for her to "pollute" up to 9x as many carbon emissions as each of us does, because she cares. Remember, do as radical leftists say, not as they do.

Israel Brought To Brink of Failure By Joe Biden

As Barack Obama once famously said, never underestimate Joe's ability to ---- something up. And once again, Joe Biden has bleeped something up. By calling for an immediate cease fire - probably to stop the political bleeding in Michigan, Mr. Biden has given a victory to Hamas - the terrorist group, and made Israel's ability to survive in hostile territory more difficult. For anyone who says that Israel is the aggressor here, I'd remind everyone that on multiple occasions, Israel has offered the Palestinians a home land, which they have refused on multiple occasions - the last time being 2002.

Thanks to Joe Biden, there is more likelihood of a world war now than when he took office.
