Dear Friends and Fellow Republicans

WE WIN!!!!

As pretty much of all of you by now know, Donald J Trump won a historic victory yesterday. As of the writing of this email, Trump has 280 confirmed electoral votes (270 necessary to win) and likely he won Nevada, and Michigan. Only Arizona is too close to call. Why Nevada and Michigan have not been called yet is beyond belief. Arizona's elections are a mess, and to figure out a winner will likely take a week or more.

As for now, it seems that not only did Trump win, but he won a large majority of

Just as important – Ben Cline won another stellar victory, beating his opponent 64-34 (rounded numbers). We're proud to have come out in support of Ben Cline in such overwhelming numbers!

We had an amazing day around the District as well. For the 1st time in many decades, it looks like we will have a Republican Mayor in Roanoke, as well as one city Council Member. Let's congratulate incoming Republican Mayor David Bowers, and incoming Republican City Council Member Nick Hagen on victories well fought and deserved.

We also have won the Mayor's race in Winchester, and a rather unique "majority" on the City Council. Congrats to Republican Winchester Mayor Les Veach, incoming Republican City Council Member John Fox, and to independent conservative Terry Sloane, an African American business owner in Ward 2, who took on an entrenched incumbent in a 60% Democrat Ward and won a narrow victory.

Conservative Harrisonburg School Board Member Kaylene Seigle also won re-election in a deep blue region. We're fortunate to have such great people on our local School Board's such as Kaylene. Waynesboro won most of their races at the local level.

Your 6th Congressional District played important parts in many of these races. As most of you know, we ran radio ads for the federal ticket of Trump/Cline/Cao. Our radio ads also were run for local races in Roanoke and Salem City. Between those and the ticket 4x4 signs we purchased for local Units, this total team effort helped carry the day for Team GOP up and down the Congressional District. The 6th Congressional District also donated significant sums of funds to city and county candidates up and down the District. It's important you know where your funding went to. Each dollar you donate to the 6th Congressional District GOP Committee goes straight into get out the vote efforts. Thank you to each of the 275+ donors who made our efforts successful.

We weren't successful in all things. Ms. Harris did narrowly win Virginia, and Tim Kaine did defeat Hung Cao. We're all disappointed about the 1st, but not really shocked about the 2nd. So while we've taken back America, and many of our localities, we have more work to do to Take Back Virginia.

For those of you who are curious as to how or why we won – the answer is rather simple. Like Donald Trump or not, he spoke plainly to the American people about what needed to be done to make our country great again. And Kamala Harris is quite possibly the worst candidate to ever run for President from either party in the past 100 years. Yes she's worse than Michael Dukakis – and that's saying a lot. Calling your party the party of democracy while nominating a candidate who never received a vote wasn't helpful. Trying to arrest and convict Americans who disagree with you politically never ends well, just as the Soviet Union and Nazi Germany. Joe Biden and Kamala Harris tried to turn us into a banana republic, and the American people said no thank you. Fish eyed fools such as Juan Williams of Fox News said foolish things like "it was not the cost of eggs, it's I'm not voting for this black woman".

I don't care if you're white or black. Straight or gay. Muslim or Christian. Male female or transgender. Liberal or conservative or moderate. Everyone needs to be able to afford to eat. And for the Democrat elite to not understand this basic concept shows how out of touch they are with basic Americans.

More work needs to be done, but that's for another day. For today, let's enjoy that Donald Trump and Ben Cline will Make America Great Again!!!
